Relocated Unexploded Ordnance (UXO) Items - Update

Notice Number: 101

Issue Date: 08/06/2020

Mariners are advised that following unsuccessful clearance activities at some of the confirmed Unexploded Ordnance (UXO) items, further UXOs have been relocated to date within the Neart na Gaoithe (NnG) Offshore Wind Farm and Export Cable Corridor. These UXO items either do not contain a fuse or are confirmed as solid shots and clearance by detonation is not likely to be possible. As such, relocation of the item is necessary. The item will be relocated to a position outwith the construction areas, but within the boundaries of the NnG licensed area, as permitted by the Marine Licence.

UXO re-locations since the previous Notice to Mariners (NtM) issued on 3rd June 2020 are shown below. Further NtMs advising of relocated UXO items will be sent on a weekly basis.
