

Neart na Gaoithe Offshore Wind Farm Temporary Road Closures

Dear resident,

During October there will be two temporary road closures in the Innerwick area as part of construction of the Neart na Gaoithe (NnG) Offshore Wind Farm. These closures have been scheduled during the half-term school holidays so that local school bus services are not affected and disruption is kept to a minimum. There will be no impact on the Borders Bus service due to these closures. All road closures and diversions will be signposted, and residential access will be available. Due to the nature of the works, unfortunately pedestrian and bicycle access will not be possible through the road closures.

If you have any questions please email:
info@nngoffshorewind.com or call 0131 376 0900.

Thank you for your continued patience and support.

Matthias Haag
Project Director, NnG
