**Mariners are advised that SFF Services Limited have completed the Phase 2 over-trawl trials on behalf of Neart na Gaoithe Offshore Wind, within the boundaries of the export cable corridor. This final phase of the work has been completed by the fishing vessel Reliance BF80 (Call sign: MHZZ3).**

**Area of Operations**

The Reliance BF80 completed work within the boundaries of the Neart na Gaoithe (NnG) export cable corridor, around two locations; Kilometre Point (KP) 11-12 and 27, as indicated in Figure 1.

Please note that the current fisheries exclusion areas over the export cable corridor are now lifted, with only one very small exclusion area remaining temporarily, as per Figure 2 and Table 1 (red area only). A subsequent notice will be issued once this is lifted. The existing exclusions around the wind farm area also remain.
