NtM number:	001
Revision:	1
Author:	Claire Gilchrist, NnGOWL Offshore Consents Manager (claire.gilchrist@nngoffshorewind.com)

Mariners are advised that Neart na Gaoithe Offshore Wind Farm Limited (NnGOWL) is due to commence installation of the offshore wind turbine jackets within the Neart Na Gaoithe (NnG) Wind Farm Area. The work is due to begin 1st October 2022, at the earliest.

Ten three-legged jacket substructures will be installed onto pre-installed piles in the NnG Wind Farm Area, at the coordinates in Table 1. The jackets will be brought directly to site from the location of fabrication by the heavy load carrier *Xin Yao Hua* (call sign 5LCD7) and installed by the *Balder* (call sign: 3EWK). Tugs will be used in support of operations; details of these vessels will be confirmed in a subsequent revision of this Notice.

Prior to jacket installation, the offshore support vessel the *Normand Navigator* (call sign LASG7) will undertake pile cleaning and pre-jacket installation visual survey via a Remotely Operated Vehicle. Following jacket installation, the *Normand Navigator* will grout the pile-jacket connections.

Area of Operations

Mariners are advised that the aforementioned vessels will be working within the NnG Wind Farm Area, shown in Figure 1 and Table 1.
