Mariners are advised that renewal and maintenance works will be undertaken on the four Acoustic Monitoring Devices within the boundaries of the Neart na Gaoithe Offshore wind Farm and surrounding waters, from the 19th November at the earliest. The work will take place over a period of two days, weather permitting, by the *Alba na Mara* (2A1E4).

Area of Operations

Mariners are advised that the *Alba na Mara* will likely mobilise from Montrose to work within the boundaries of the Neart na Gaoithe (NnG) Offshore Wind Farm and surrounding waters, shown in Figure 1. The positions of the four acoustic monitoring devices are indicated by the coordinates in Table 1.

All vessels are requested to remain at least 500 metres away from the work vessel
