Subject:	Neart na Gaoithe Offshore Wind Farm: Repair of Temporary Navigation Light on Offshore Wind Turbine Jacket and Other Remedial Works
NtM number:	186
Revision:	4
Author:	Michelle Elliott, NnGOWL Offshore Consents Support (michelle.elliott@nngoffshorewind.com)

Mariners are advised that the **temporary navigation light (FI Y 2.5S light)** on wind turbine jacket WTG-04 (A09) located within the boundaries of the Neart na Gaoithe Offshore Wind Farm is currently not operational.

The repair works, as part of a campaign of remedial works, will be carried out from the 7th of April, at the earliest using the *Windcat 20* vessel (call sign: 2CQX8) and is expected to last for 2 weeks, weather dependant.

The *Windcat 16* vessel (call sign: 2BOO8) will be assisting with these repair works and will be in the field from the 12th July 2023 at the earliest. The *Windcat 16* will also be assisting the Blue Tern vessel (call sign:) as part of the WTG installation campaign (see NtM 191).

More information about the vessel can be found in Table 2 and 3.

Area of Operations

The position of the jacket substructure affected are indicated by the coordinates in Table 1 and shown in Figure 1.

All vessels are requested to remain at least 500 meters away from all the work vessels. Vessels over 15m are also requested to have AIS turned on and detectable when in the vicinity of construction works.

Schedule

Ten three- legged jacket substructures were installed onto pre-installed piles in the NnG Wind Farm Area in November 2022.

Repair works will be carried out from the 7th of April, at the earliest using the *Windcat 20* vessel (call sign: 2CQX8) and is expected to last for several months on a 24-hours basis, weather dependant.

The *Windcat 16* will be assisting the *Windcat 20* with remedial and repair works from the 12th July 2023 at the earliest.

For updates on the progress of the works, information will be provided in the Weekly Notice of Operations available on the NnG project website: <https://nngoffshorewind.com/downloads/>.
