NtM number:	191
Revision:	10
Author:	Shini Chandramohan, NnGOWL Offshore Development Engineer (shini.chandramohan@nngoffshorewind.com)

Mariners are advised that Neart na Gaoithe Offshore Wind Farm Limited (NnGOWL) has commenced the installation of offshore wind turbines within the Neart Na Gaoithe (NnG) Wind Farm Area. The work began on the 15th of July 2023 and is presently ongoing.

Wind turbines will be installed onto pre-installed jackets in the NnG Wind Farm Area. The turbines will be brought to site and installed from the Port of Dundee by the *Blue Tern* vessel (call sign 9HA5208) and WTG commissioning will be carried out using the *HST Swansea* call sign (MNGM8) which will be replaced by the Millie vessel call sign (MOAN6) from the 16th September at the earliest. The *Farra Ciara* call sign (MKPT9) crew transfer vessel (CTV) and the *Manor Venture crew transfer vessel* (CTV) call sign (MAWI6) will be supporting the turbine installation campaigns. The *Green Storm* (call sign: 2EXU3) crew transfer vessel has been replaced by the *Farra Emer* (call sign: MNDD6) from the 4th of September 2023, at the earliest.

Due to an engine service job, the *Farra Emer* CTV will be replaced by the *Farra Roisin* CTV (call sign: MODU3) from the 19th of October, at the earliest. The *Farra Roisin* CTV will be supporting the refuelling works for the WTG temporary generators. Additional crew transfer support will be provided by the *Largo* vessel call sign (DLYQ) from the 1st October at the earliest. The *MCS Boreas* (call sign: 2GDR8) crew transfer vessel will be supporting the campaign from the 9th of October 2023.

Additional vessel information and contact details will be updated in subsequent notices.

Area of Operations

Mariners are advised that the aforementioned vessels will be working within the NnG Wind Farm Area, shown in Figure 1.
