NtM number:	193
Revision:	1
Author:	Shini Chandramohan Offshore Development Engineer (shini.chandramohan@nngoffshorewind.com)

Mariners are advised that the *Tranquillity* Guard Vessel Skipper is currently acting as the Offshore Fisheries Liaison Officer (OFLO) temporarily until the next crew change on the *Normand Navigator* vessel.

Due to a constraint on accommodation on the *VOS Stone* vessel, the OFLO will be leaving the vessel today, 21st March 2024. The next available construction vessel which the OFLO can join is the *Normand Navigator* vessel which will crew change on the 27th of March, at the earliest. In the interim period, the Guard Vessel Skipper will act as OFLO.

Further details of the vessels involved are provided in Table 2 below.

Area of Operations

Mariners are advised that all vessels in this campaign will be working within the boundaries of the Neart na Gaoithe Offshore Wind Farm, shown in Figure 1 within the coordinates shown in Table 1.

All vessels are requested to remain at least 500 meters away from all the work vessels and static fishing gear is requested to be removed from the exclusion area shown in Figure 1 and Table 1. Vessels over 15m are also requested to have AIS turned on and detectable when in the vicinity of construction works.
